## TEACHER REQUEST FORM

Phone (208) 922-1011 Fax: (208) 922-1018

Dear Parents,

At the end of each year, the building principals have the responsibility of assigning each student to a classroom for the following year. Many factors are considered in placement; including academic ability, peer relations, learning styles, teaching styles, behavior, and special needs of students. If you would like to provide input for this, please complete this form and re-submit.

**All completed requests** that are submitted by the due date will be given consideration. However, the requested placement is **not guaranteed**. The principal will use this information in determining the best placement for all students.

**A tentative teacher list is on the back of this form. Please keep in mind that this could change.**

Completed request forms must be turned in to the school office **NO LATER THAN May 3rd, 2021 at 3:30pm. Due to scheduling needs, we are not able to accept forms turned in after this deadline.**

Sincerely,  
Mysti Schmidt , Principal
